

Be more involved in your child's learning

Storypark creates a secure online network of the people that matter most for your child. It helps working parents, far-away family, educators and specialists ensure children receive the best opportunities possible.

How does Storypark help my child?

- Deeper insights into your child's unique interests, needs and abilities allows better support and improved outcomes.
- Improves communication between educators and families.
- Enables educators to spend their time with your child more effectively.
- Helps your child define 'what's next' in their learning.
- Share movement, song, and creative expression through audio and video.
- · Actively involves grandparents, family and close friends.

NEXT STEPS

Once you accept the <u>email invitation</u> from your child's teacher you'll be taken to a <u>sign-up</u> page where you can enter your name and <u>choose a password</u>. Storypark is an online service, so you can <u>log in</u> without installing software on your computer.

Invite family

Sign up and log in

Share your children's stories by **inviting family members** and close friends. Create a private network of people to share and support your child's learning journey.

Comment and create

<u>Stories</u> your child's teachers create will show up in your <u>child's profile</u>. Build understanding with teachers by <u>responding</u> to stories. Download the <u>Storypark Families app</u> and <u>log in to your account</u> to see your child's profile and start creating your own moments about your child. Safe and private

- You <u>own all content</u> and control your child's digital footprint
- You <u>manage who's invited</u> to your child's storypark community
- In line with international online security <u>best practices</u>.

Free access for families
Access is free, for as long as you wish.

Storypark <u>travels with your child</u> throughout their learning journey.
